

Mezza Notte

MEZZA NOTTE is a locally owned, professionally operated Italian Restaurant featuring an elegant romantic atmosphere. Located in Riverhills Shopping Center at Inverness, MEZZA NOTTE offers high quality dining at moderate prices. President Bo Bambinelli formerly a co-owner of Salvatores Vestavia, has assembled a group of top flight restaurant professionals to offer the best in Italian dining.

MEZZA NOTTE is a new business which has already earned the respect of Cordon Bleu's staff with a 3-1/2 star rating. (Reprint available upon request.)

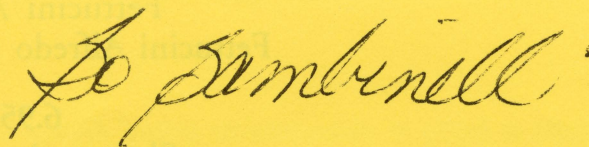

Chef Anthony Avery formerly of Dexter's on Hollywood, Salvatores Vestavia, and Ciao in Mountain Brook presents sumptuous offerings of veal, chicken, seafood, beef, and pasta prepared in both southern and northern styles of cuisine. Dishes low in calories and fat grams are also in the offering for the diet conscious diner.

The name MEZZA NOTTE (pronounced MET - SA NO - TAY) means midnight in Italian. The name was chosen as a compliment to the restaurant's romantic gentle ambiance. There is a large beautiful fountain and pool in the center of the restaurant which features soft pastel colors of peach and green. Original art work and a tasteful selection of Mediterranean music lends to the restful easy going mood of the restaurant.

The building exterior is much the same as the Quincy's which it formerly housed. Most customers are pleasantly surprised upon entering the building. A platform in the center of the dining area contains the gorgeous 8-1/2 foot fountain — the original of which was imported from Rome.

Quality food, prompt, dependable service and a restful romantic atmosphere characterize the restaurant where we say "Every moment is like midnight in an Italian garden."

Hope to see you soon.
